CITY OF PORT CLINTON INCOME TAX INSTRUCTIONS

WHO MUST FILE:

Every Resident, full or partial year, 18 years of age and older, must file a tax return, whether or not taxes are due, unless that resident is retired with no earned income. See definition of earned income in the **RETIREE** section below.

Every Business Entity, whether a resident or non-resident, who conducts a business in Port Clinton must file a return and pay any tax on that profit. If you have a net loss you are still required to file a return. ("Business" includes rental income.)

Individuals, earning income in Port Clinton not subject to the withholding of Port Clinton income tax must also file a return.

If you received a letter of need to file from this office be sure to file, even if you had no taxable income for the year. If you are not subject to Port Clinton tax complete the exemption certificate on page 2 of the return.

RETIREES: Retirees who earn wages, operate a business, own rental property or earn other income, are required to file. If your **ONLY** income source is retirement income (i.e. SSI, other pensions, interest, dividends, IRA and 401k distributions), complete the exemption certificate on page 2 of the return.

UNDER 18: If a person is under 18, was employed in the city of Port Clinton and had Port Clinton taxes withheld, a refund will be issued after receiving a signed tax return with W-2s and a copy of driver's license or birth certificate attached for verification. If under 18 for part of the year, include paystub closest to 18th birthday.

FILING STATUS: Taxpayers who prepare their federal and state tax returns using the "married filing separate" status to lower their overall tax liability may still file a joint return for the City of Port Clinton. Filing a joint return will neither increase nor decrease your City of Port Clinton tax liability. Husband and wife may file joint returns, in which case both must sign the return and submit their social security numbers.

WHEN TO FILE: Taxpayers who end their taxable year on December 31 must file on or before the IRS due date. Taxpayers on a fiscal year must file on or before the 15th day of the fourth month after the close of that fiscal year or other period.

EXTENSIONS: If the deadline to file cannot be met, an automatic extension will be granted if taxpayer received an extension on his federal return. If an extension was not requested or received for federal purposes, a taxpayer may still request an extension to file his city tax by sending a request to the Tax Commissioner by the unextended due date of the return. **An extension of time to file is not an extension of time to pay.** Payment of any estimated tax due should be sent in by the unextended due date of the return to avoid a late payment penalty. Although not required by state law, a courtesy copy of the extension by the due date of the return would be appreciated. A copy of the extension must be attached to the return when filed or the return will be considered late and a late filing penalty applied.

PARTIAL YEAR RESIDENTS: If you only lived in Port Clinton during part of the year you must file a tax return covering that time. Report the amount of income you earned while you lived in Port Clinton. Pay stubs with year-to-date figures or a statement from your payroll department must be used if available. When the actual amount you earned while living in Port Clinton cannot be determined, you may break down your earnings by the number of months employed at the job arriving at a monthly earnings figure. Use the monthly earnings figure multiplied by the number of months of residency to find your taxable amount. If you pro-rate your income you must also pro-rate your city tax that was withheld on the same income. **Attach a worksheet explaining your calculations.**

DECLARATION OF ESTIMATED TAX FOR THE COMING YEAR: Taxpayers who expect to receive taxable income for the coming year in which Port Clinton tax is not withheld must declare estimated tax payments, if amount owed is \$200 or more, (25% of full amount must be paid at the time of filing the Annual Return). The estimated tax payments due June 15th, September 15th, and December 15 (businesses) or January 15 (individuals) will be billed.

PENALTY AND INTEREST: Except in those cases where an extension was filed, a late fee of \$25.00 per late month or fraction of a month up to a maximum of \$150.00 shall be due on returns filed after the due date, even when no tax is due. A late payment penalty of 15% of any balance due that remains unpaid after the due date will also be charged unless estimated tax payments of at least 90% of the entire tax liability has been paid by December 15th of the period covered by the return. Interest will be charged from the original due date of the return until date of actual payment. (See city website for rates). See ORC section 718.27.

NET OPERATING LOSSES: Due to passage of House Bill 5 in December, 2014, The City of Port Clinton now allows net operating losses occurring in tax years beginning on or after January 1, 2017 from unincorporated businesses to be carried forward for 5 years subject to limitations of Ohio Revised Code section 718.01(D)(3) Net operating losses may not be used to offset salaries, wages, commissions or other compensation. (See instructions for Line 7.)

AMENDED RETURNS: Amended returns are accepted by completing an income tax return with the words "Amended Return" written in red ink across the top and indicating the year being amended. The amended return is required within three (3) months of the final determination of any changed tax liability resulting from the Federal audit, judicial decision, or other circumstances.
